it takes a Village!

Our Catering Department actually pre-dates the opening of our store, as Cathy and her Mom, Doreen, ran their successful catering business in Thornhill well before we thought of combining this with the opening of The Village Grocer. The result is a marriage of that down-home food preparation skill, with ready access to the best seasonal ingredients, all rounded off with friendly and accommodating service.

Whether you are a small and intimate group who just wants a great meal, or a group wishing food for many, we're here to help you plan, organize and make your event an enjoyable success. While we have provided a pretty extensive menu for you to consider, custom dinners and arrangements can be accommodated. So have a look at what we offer, and let us help you.

WHEN SHOULD I ORDER

By giving us as much notice as possible, you are assured of being fully accommodated. Plans change, and if they do we require 48 hour notice by phone for any changes or cancellations.

PRICING

Our menu and prices can change from time to time, but we will let you know when ordering. Custom orders and/or substitutions can be accommodated and will be priced accordingly. Deposit is required.

DELIVERY

Absolutely, and depending on the distance, additional fees will apply.
